***FEDERAL UNIVERSITY OF BAHIA, Brazil***

To foster international scientific and academic progress, Iran University of Science and Technology, Tehran, I.R.Iran, (hereafter referred to as IUST) and Federal University of Bahia (hereafter referred to as UFBA) hereby agree to cooperate in the following capacity.

IUST and UFBA commit to pursue a program of scientific and technical collaboration for the exchange of ideas, skills, and techniques on problems of mutual interest as agreed on from time to time. Initially, the cooperation may include the following:

1. Joint research activities,
2. Exchange of academic information, including library material and research publications,
3. Exchange of faculty members for research, lectures, and academic discussions,
4. Exchange of graduate students for studies and research purposes,
5. Short courses on special topics,
6. Invitations to researchers to participate in national and international seminars, conferences, and scientific associations,
7. Exchange of students for research in M.Sc. and Ph.D. degrees,
8. Acceptance of approved faculty members requesting sabbatical leave by both universities,
9. Accessibility of laboratories and workshops, respectively,
10. Possibility of joint workshops, courses and scientific conferences in both universities,
11. Any other form of cooperation to which both parties may agree,

The following terms and conditions apply to this Memorandum of Understanding (MoU):

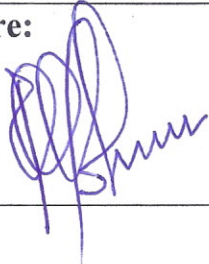

1. The confidentiality and intellectual property ownership concerned in this MoU will be considered by the two parties,
2. Rules and regulations of each party will be considered and respected in this MoU,
3. Monetary and financial arrangements will be settled by the two parties,
4. No monetary and financial obligations are due to any of the parties. Each party must finance the exchange of the faculties and students and other activities according to its rules and regulations, unless otherwise agreed,

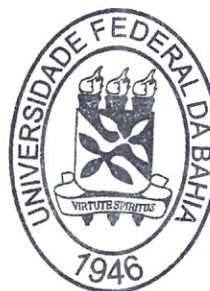

Activities between IUST and UFBA are consented to by both universities.

This MoU is signed in duplicate in English version.

This collaboration will initially be in effect for a five-year period and it can be extended.
